The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. <u>Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination</u>

If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

#### D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

#### ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

- services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions, see Exhibit 3, imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.
- C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

"This contract is funded in whole or in part by funds made available under the Aging and Long-Term Services Department Grant Agreement. Should the Aging and Long-Term Services Department early terminate the grant agreement, Sandoval County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, Sandoval County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

### XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

**Year/Rank** 2019 005

Project Title: County Road 11 Rehabilitation Project Type: Replace Existing Category: Hiways/Roads/Streets/Bridges

Contact Name: Fred Marquez Contact Phone: 505-404-5827 Contact E-mail: fmarquez@sandovalcountynm.gov

Project Location: County Rd 11 Cuba NM 87013 Latitude: 36.020471 Longitude: -106.958939

Legislative Language: To plan, design, and construct the rehabilitation of County Road 11 in Cuba, NM, Sandoval County.

**Description/Scope of Work:** To plan, design, and construct the rehabilitation of County Road 11 in Cuba, NM. County Road 11 is in a dangerous state of disrepair. The road and bridges were constructed in the 1930?s

and have exceeded their life expectancy. Sandoval County proposes to replace the deteriorating wood tressel bridges with prefabricated metal bridges. There are 3 bridges (1784, 1786, 1787) along the corridor. The concrete box culvert (3233) needs to be cleaned and inspected for damage. County Road 11 is 11 miles long and needs to be rehabilitated. The sub-grade is failing and the asphalt surface has serious damage that is beyond repair. Sandoval County proposes to rebuild the sub-grade, place of base course and chip seal or re-pave the surface of the roadway.

Sandoval County will follow procurement by requesting for proposals and selecting professional services by reviewing qualification within bids.
